The following points may be considered for clarity :

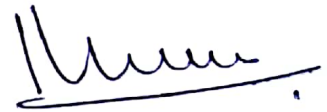

- This will be the NYV selection for the year 2021-22.
- Age calculation needs to be made as per the cut of date i.e. 1-4-2021, as mentioned in the NYV selection guideline (Annexure-A).
- The timeline for selection of NYV should be followed very strictly in order to complete the selection process at the earliest. **The DYOs should take the file by hand to the DM/DCs for taking approvals for fixing date for interview, approval of proceedings of selection committee and selection list of volunteers etc.** It is requested that such files should not be submitted in a routine manner in which getting early decision may not be possible.
- **All concerned SDs are requested to direct concerned DYOs to initiate NYV selection file and approach the DM/DCs before 10th February 2021 itself without lapse of further time. However, this process should be taken up only after receipt of approved list of nominees to each district level NYV selection committee from MYA&S.**
- All DYOs needs to inform concerned nominated members in writing regarding the date of NYV interview and brief them regarding NYKS and NYC scheme.
- The State Director should direct the DYOs of adjoining non NYK district for initiating selection process of NYVs in consultation with DM/DC of that new district.
- The status of NYV selection of your state may be updated on day to day basis on the Google sheet which is forwarded through email on your office email id.
- All concerned SDs are requested to take immediate action in the matter.

This issues with the approval of Competent Authority.

Kindly treat this on top priority.

Encl as above:

Yours Sincerely

(Dr. M P Gupta)

Director (Programme & NYC)
